BE IT FURTHER

RESOLVED, that the site plan and elevations submitted by REJ Corp., to amend the site plan of REJ Corporation (Riverhead Building Supply Corp.) to construct a 17,200 sq. ft. warehouse addition to an existing 23,477 sq. ft. manufacturing facility, located at s/w corner of JT Boulevard and Pulaski Street, New York, site plan dated August 28th, 2001, as prepared by Thomas C. Wolpert, P.E., and elevations dated December 28th, 2000, as prepared by Island Structures Engineering, P.C., be and are hereby approved by the Town Board of the Town of Riverhead, subject to the following:

1. That the provisions of the **Riverhead Town Code**, which are not addressed by this resolution, or other official action of the Town shall, at all times, be complied with by the owner of the property covered by this site plan;
2. That a covenant containing all the limitations and provisions of these approvals contained in this resolution, in a form as attached, shall be recorded with the Suffolk County Clerk and a copy of such recorded covenant shall be filed with the Riverhead Town Clerk. This resolution shall not become effective until such covenant is duly recorded with the Suffolk County Clerk's Office and filed with the Riverhead Town Clerk;
3. That the form, design, location, and color of all signage shall be submitted to the Town Board for its review and approval pursuant to the site plan review and the sign permit procedure prior to being installed at the property; that all signage so proposed shall be coordinated in appearance and design; and that all provisions of Section 108-56 of the **Riverhead Town Code** shall be complied with, and that all tenants shall be apprised of said requirements as well as those of Section 108-110.7 and any restrictions imposed as a condition of the site plan approval granted herein;
4. That no lighting shall be installed or adjusted in such a way as to cause direct glare on neighboring properties or adjoining highways;
5. That the applicant is familiar with the **Riverhead Town Code**, Chapter 96, entitled, "Trash, Rubbish and Refuse Disposal," and Chapter 98, prohibiting the accumulation of litter, and requiring the enclosure of dumpsters, and agrees to abide by same;
6. That receptacles of a decorative design, approved by the Planning Department prior to their installation at the site, shall be maintained on the premises;
7. That parking, paving and drainage shall be provided pursuant to specifications outlined in the **Riverhead Town Code**;
8. That the parking area shall be maintained pursuant to specifications outlined in the **Riverhead Town Code**;
9. That adequate parking for the handicapped, pursuant to State and Federal law and the Code of the Town of Riverhead, shall be provided and that each handicap stall shall

be designated by an individual sign erected on a stanchion stating, "No Parking, Handicap Only," and the universal symbol affixed thereto. Further, by execution and filing of this document, REJ Corp. hereby authorizes and consents to the Town of Riverhead to enter premises at s/w corner of JT Boulevard and Pulaski Street, New York, to enforce said handicapped parking regulations;

10. That any and all landscaped and paved areas shall be regularly maintained in an orderly and professional manner and kept free of weeds and litter; and that any planters, planter boxes, window boxes or other container plantings shall likewise be maintained on a year-round basis;
11. That all new utilities shall be constructed underground;
12. That pursuant to Section 108-133(I) of the **Code of the Town of Riverhead**, the applicant, upon approval of a final site plan by this resolution and prior to the issuance of a land clearing and/or building permit, shall post a performance bond or other equivalent security. The performance bond or other equivalent security assures the performance of all the conditions of the building permit in accordance with the site plan approval. The Supervisor, upon approval from the Town Attorney as to form, is hereby authorized to accept said performance bond or other security, which shall be filed with the Town Clerk subsequent to approval of the site plan herein. The building permit shall not be issued until the Town Clerk certifies that the performance bond or other security has been filed in the Office of the Town Clerk of the town of Riverhead. Said security shall be in full force and effect for the term of the building permit or any renewal thereof.
13. That the topsoil shall conform to the specifications of the New York State Department of Transportation in regard to pH, organic content, and gradation;
14. That all nursery stock and installation methods thereof shall meet the latest "American Standards for Nursery Stock," as published by the American Association of Nurserymen;
15. That no building permit shall be issued prior to the submission of all required wetland permits by the New York State Department of Environmental Conservation; and be it further

RESOLVED, that the Town Clerk be and is hereby authorized to forward a certified copy of this resolution to Jonathan D. Brown, Esq., 737 Roanoke Avenue, Riverhead, New York 11901, attorney for applicant, the Riverhead Planning Department, Riverhead Building Department, and the Town Engineer.

TOWN OF RIVERHEAD

Resolution #957

**DENIES SPECIAL PERMIT APPLICATION OF EDWARD PARTRIDGE
(T.S. HAULERS, INC.)**

Councilman Kent offered the following resolution, which was seconded by Councilman Cardinale,

WHEREAS, an application was submitted to the Town Board for a special permit pursuant to §§ 108-3 and 108-45(B)(6) to allow the operation of a "wholesale business" to include mining, and sand and gravel processing upon real property located at Route 25, Calverton; such real property more particularly described as SCTM No. 0600-9-1-16.3; and

WHEREAS, such special permit petition was filed pursuant to a stipulation of the New York Supreme Court in the proceeding entitled "Town of Riverhead v. T.S. Haulers, Inc.", (Index No. 97-10327), and

WHEREAS, pursuant to the order of the Supreme Court of the State of New York dated May 10, 1999 (Hall, J.), the Town of Riverhead was directed to consider the applicant's special permit petition under "Section 108-45(B)(6) of the Riverhead Town Code ..." as that section of the Town Code read prior to the August 4, 1998 ban on sand mining within the Town, and

WHEREAS, pursuant to SEQRA, the Department of Environmental Conservation sought lead agency status in connection with the special permit petition and the Town Board conceded lead agency status to the Department of Environmental Conservation, and

WHEREAS, the Department of Environmental Conservation has issued a negative declaration pursuant to 6 NYCRR 617.7 and on February 23, 1998, issued the applicant a permit pursuant to Article 23 of the Environmental Conservation Law, and

WHEREAS, by resolution No. 392 of 2000, the Town Board did refer the special permit petition to the Town of Riverhead Planning Board for its report and recommendation, and

WHEREAS, on June 1, 2000, the applicant appeared before the Planning Board in connection with its special permit petition, and

WHEREAS, by memo dated June 28, 2000, the Planning Board reported to the Town Board that the special permit petition and supporting documents were deficient and that this Board would reserve its report until such time as the identified deficiencies were corrected, and

WHEREAS, thereafter, counsel to the applicant provided the Planning Board with the documents necessary to complete the special permit petition, and

WHEREAS, on September 25, 2000, the Appellate Division, Second Department affirmed the May 10, 1999 order. That decision confirmed the Town was not preempted by the New York State Department of Environmental Conservation and that it had the right to enact and enforce local zoning ordinances or laws which determine permissible uses in zoning districts. The Court further held that despite the Zoning Board of Appeals having determined that T.S. Hauler's mining activities constituted a "wholesale business (nonnuisance)", that T.S. Haulers was still required to obtain a special permit from the Town Board.

WHEREAS, the Riverhead Planning Board, by resolution dated November 3, 2000, setting forth its findings, resolved to recommend that the Town Board deny the special permit petition of Edward Partridge (T.S. Haulers, Inc.) based upon its determination that "the operation proposed does not meet the operative definition of "wholesale business, nonnuisance" in that the instant petition and operation would result in both the outdoor storage and outdoor processing of mined materials, and

WHEREAS, on November 21, 2000, a public hearing was held on the special permit petition of Edward Partridge (T.S. Haulers, Inc.) before the Town Board at which all testimony was given under oath, and

WHEREAS, thereafter, at a regularly scheduled Town Board meeting held on February 20, 2000, after due consideration of the documents submitted in connection with the application and the Town Board's record on the application, including the Planning Board's November 3, 2000 recommendation and the November 21, 2000 public hearing, the Town Board voted not to approve the T.S. Haulers application, and

WHEREAS, On March 19, 2001, following the Board's having voted not to approve the T.S. Haulers Special Permit, T.S. Haulers commenced and Article 78 proceeding against the Town entitled "*In the Matter of the Application of T.S. Haulers, Inc. v. the Town of Riverhead, Robert Kozakiewicz, Philip Cardinale, Edward Densieski, Christopher Kent and James Lull, constituting The Town Board of the Town of Riverhead*" (Suffolk Co. Index No 01-07349)., and

WHEREAS, on May 2, 2001, Suffolk County Supreme Court Justice H. Bromley Hall rendered a decision and order remitting the matter to the Town Board of the Town "to provide a factual basis for its determination" and to require the Town to refer the special permit petition to the Suffolk County Planning Commission in accordance with General Municipal Law § 239-m, and

WHEREAS, in accordance with Justice Hall's decision and order on May 12, 2001, the Town Clerk of the Town of Riverhead referred the special permit application of T.S. Haulers, Inc. to the Suffolk County Planning Commission, and

WHEREAS, on June 11, 2001, the Town Clerk received the recommendation of the Suffolk County Planning Commission. That recommendation was to disapprove the special permit application and stated as follows:

The Suffolk County Planning Commission on June 6, 2001 reviewed the ... application and after due study and deliberation Resolved to disapprove if because of the following reason:

"It contravenes zoning ordinance requirements which prohibit the outdoor storage and processing of mined materials associated with a "wholesale business, non-nuisance" land use." Alternatively, a use variance appears necessary for such purposes." and

WHEREAS, following the recommendation of the Suffolk County Planning Commission, on July 17, 2001, the Town Board resolved to publish and post for second public hearing on the applicant's Special Permit application. That public hearing took place on August 7, 2001, at which sworn testimony was taken and

WHEREAS, the testimony at the public hearing held November 21, 2000 was incorporated into the new hearing, and

WHEREAS, the Board considered the applicant's request that the special permit hearing be held to consider whether the applicant was entitled to a special permit pursuant to Town Code § 108-45(b)(5) or § 108-45(b)(6) as set forth in petitioner's original application, and

WHEREAS, the Town Board has carefully considered the merits of the petition, the determination of the Zoning Board of Appeals dated December 17, 1997, the SEQRA record created to date, the recommendation of the Riverhead Planning Board, the recommendation of the Suffolk County Planning Commission, the sworn testimony given at the public hearings, as well as all relevant planning, zoning and environmental information,

NOW, THEREFORE, BE IT

RESOLVED, that the Town Board hereby finds:

FIRST: That the subject premises lies within the Industrial A Zoning Use District;

SECOND: That the petition describes a land use which involves the mining of sand and gravel, the screening and processing of said materials, and the transportation of refined materials off site;

THIRD: That at the time of the issuance of the Mined Land Reclamation Permit by the New York State Department of Environmental Conservation, the Industrial A Zoning Use District did not specifically call out either mining or processing of mined materials as either permitted or specially permitted uses;

FOURTH: That at the time of the issuance of the Mined Land Reclamation Permit by the New York State Department of Environmental Conservation, the Industrial B Zoning Use District did provide for both mining and processing of mined materials by special permit;

FIFTH: That the current processing and outdoor storage of construction and demolition debris at the site, as approved and registered by the New York State Department of Environmental Conservation, is provided for within the Industrial B Zoning Use District as a special permit use, and

SIXTH: That the applicant has neither applied for nor received a special permit for the processing and outdoor storage of construction and demolition debris at the site, and

SEVENTH: That in Appeal No. 97-52, the Town of Riverhead Zoning Board of Appeals, interpreted the current sand mining and processing operation to be a "wholesale, business, nonnuisance" land use;

EIGHTH: That "wholesale business, nonnuisance" as defined by §108-3 of the Town Code of the Town of Riverhead restricts "wholesale business, nonnuisance" uses to those operations that do not include "any open storage yard or outdoor processing of materials";

NINTH: That the site plan attending the special permit application shows both open storage and outdoor processing of mined material;

TENTH: That the Suffolk County Planning Commission has recommended against the approval of the special permit application holding that:

"It contravenes zoning ordinance requirements which prohibit the outdoor storage and processing of mined materials associated with a "wholesale business, non-nuisance" land use." Alternatively, a use variance appears necessary for such purposes.", and

ELEVENTH: That the testimony at the July 17, 2001, public hearing incorporated the testimony at the November 21, 2000 public hearing, and

TWELFTH: That the petitioner's application for special permit, even when considered under the §108-45(B)(6) of the Town Code *prior* to the Town's August 4, 1998 ban on sand mining, does not comply with the prohibition on outdoor processing and storage of materials set forth in §108-3 of the Town Code of the Town of Riverhead, wherein the term "wholesale business, non-nuisance" is defined; and

THIRTEENTH: That the petitioner is currently operating a sand mine without the benefit of the required Town of Riverhead permit or an approved site plan, and

FOURTEENTH: That the petitioner possesses a "Registration" dated January 04, 1999, issued by the Department of Environmental Conservation which registration permits the applicant to process construction and demolition debris on the subject premises, and

FIFTEENTH: The petitioner's current special permit application and site plan do not include a request to approve the processing of

construction and demolition debris on its property as set forth in the aforementioned Department of Environmental Conservation Registration, and

SIXTEENTH: the Board finds that the applicant's request that its application for special permit be considered pursuant to both 108-45(b)(5) and 108-45(b)(6) is without merit for the following reasons: 1) the applicant made application for a special permit under Town Code §108-45(b)(5) in 1997 which application was denied by this Board pursuant to Town Board resolution 879-97, and which denial was not challenged by the applicant; and 2) that in the May 10, 1999 order of the Supreme Court in this matter, the Court only directed the Town Board to hear the special permit application pursuant to 108-45(b)(6), not 108-45(b)(5), and

BE IT FURTHER,

RESOLVED that based upon the foregoing findings and pursuant to Town Code § 108-3, the Town Board hereby determines and further finds that:

- a) the proposed use will prevent or substantially impair the reasonable and orderly development of other properties in the neighborhood ;
- b) the disadvantages to the neighborhood from the location of the proposed use are outweighed by the advantage to be gained by either the neighborhood or the Town;
- c) the health, safety, welfare, comfort and convenience and order of the Town will be adversely affected by the proposed use;
- d) that the proposed use is not in harmony with and will not promote the general purposes and intent of the Town's zoning code as required in Town Code §108-3, and

BE IT FURTHER,

RESOLVED, that based upon the foregoing, the Town Board of the Town of Riverhead hereby denies the special permit of Edward Partridge (T.S. Haulers, Inc.), and be it further

RESOLVED, that copies of this resolution be forwarded to the Planning Department, Town Attorney, Building Department, Edward Partridge (T.S. Haulers, Inc.) and Peter Danowski, Esq.
